INFO INDEX TABS – Stop searching and start finding.

Organise your work with our new INFO INDEX TABS. The usage of a very durable film with a thickness of 100 µm ensures high stability and tensile strength resulting in no curl or tear of the tabs. Our new INFO INDEX TABS are particularly suitable for frequent or longer term usage, especially for marking books and documents that will be transported or passed through many hands. The tabs stick to various papers and surfaces, are residue-free removable and repositionable, thanks to the usage of a special water based and solvent-free glue.

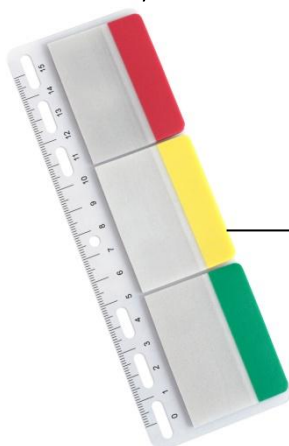

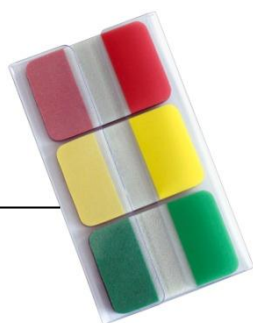

Our new INFO INDEX TABS are available in two different sizes. They are perfect for pupils, students, as well as for use in offices and households.

- High stability
- Stick to paper and many other surfaces
- Residue-free removable and repositionable
- Easy to write on
- Easy removal from the pad
- Water-based and solvent-free adhesive
